Gap Inc.

Gap Inc. and the SLCP

Gap Inc. has been an active signatory of the SLCP since 2015

Importance of the SLCP

SOCIAL & LABOR CONVERGENCE

Unprecedented industry alignment

Credible and accepted mechanism to ensure sustainability standards

Reduce the proliferation of duplicative assessments and their associated protocols

Supplier ownership and partnership in the SLCP process

Re-allocation of resources to other industry improvement initiative.

Gap Inc.

Fully Committed to the SLCP

Moving Adoption Forward

2021: 200+ suppliers participating in SLCP

2020: 90+ Suppliers participating in SLCP

Note: 59 suppliers have already completed the process

1200+ suppliers

Over the next few years we will transition all of our Tier 1 and Tier 2 suppliers to the SLCP

Gap Inc.

As a steadfast proponent of the SLCP, Gap Inc. is pleased to see the program continue to scale. As stated, our goal is to fully transition to the SLCP assessment and verification process. We hope and expect our partner suppliers and brands will further leverage the SLCP, so the industry as a whole garner the benefits of convergence and collaboration.

Thank you!
