

ITMF Conference 2020, 5th Session

SLCP
A tool to end audit fatigue

Nairobi – September 2018
Porto – October 2019
Virtual – October 2020

The social compliance sector is complex

Audit Fatigue

of Social Compliance Audits

Customer 1

Where are the fire extinguishers?

Customer 2

Where are the fire extinguishers?

Customer 3

Where are the fire extinguishers?

SLCP
(Social and Labor Convergence Program)

Standard Fatigue

Redundancy of Standards

Standard A

Fire extinguishers must be on ground level

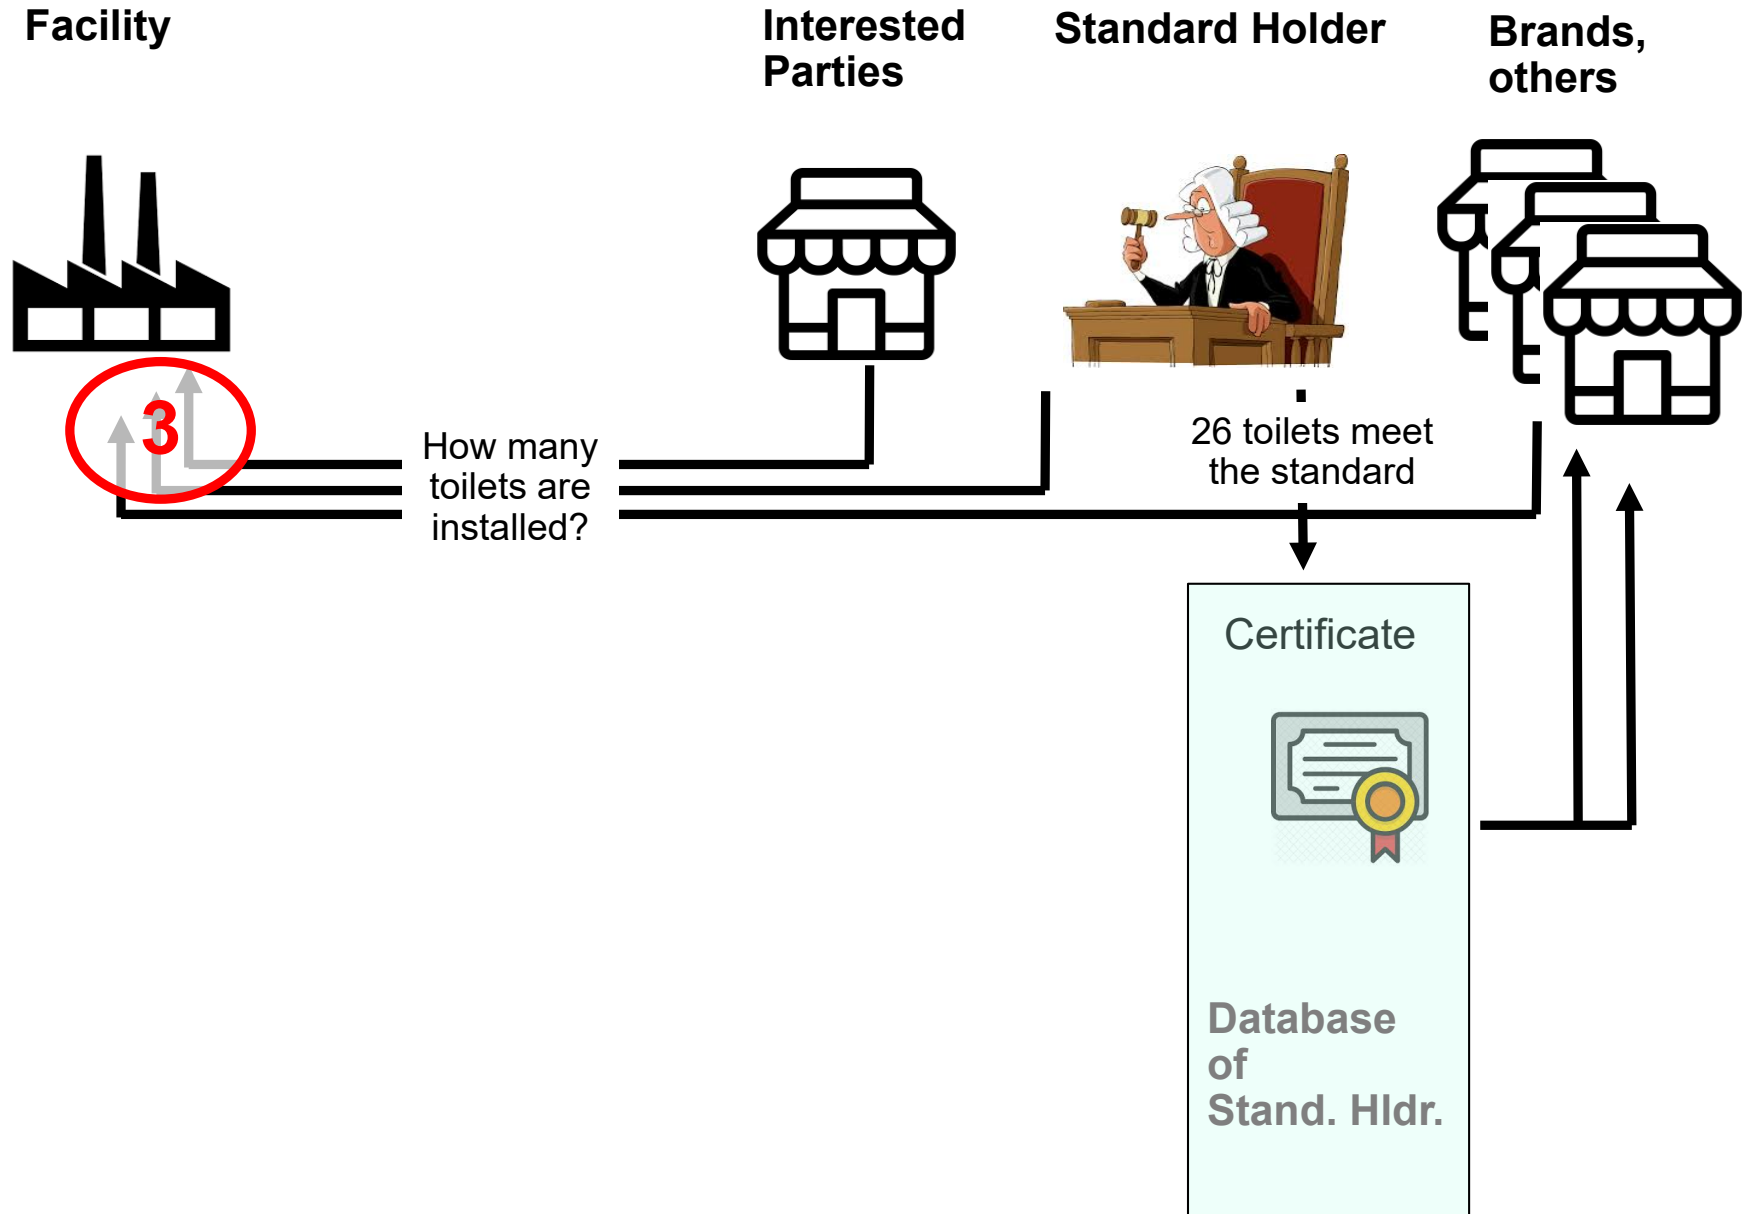

Standard B

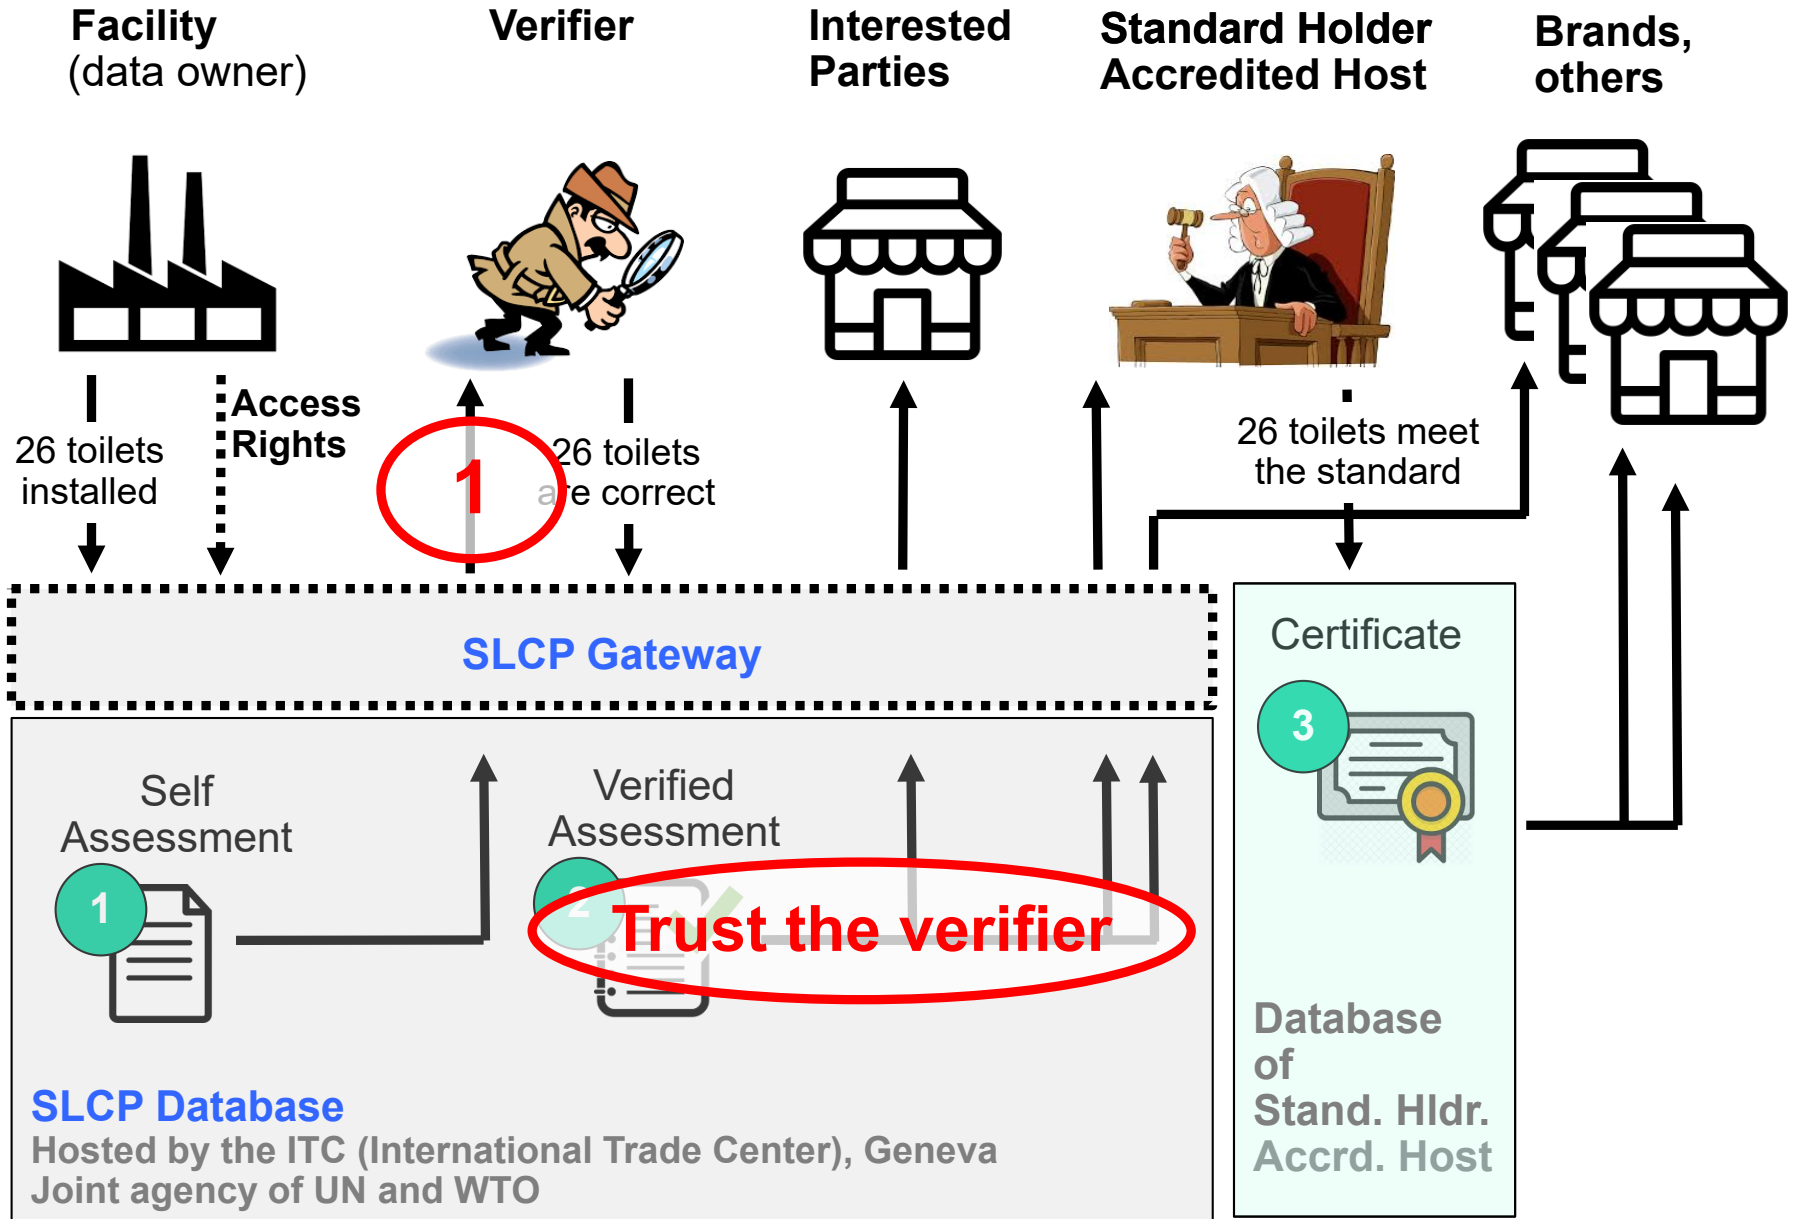

Fire extinguishers must be 1 m above ground

Standard C

Fire extinguishers must be 1.5 m above ground
