INVITATION

Dear Sir/Madam,

It is our great honor to inform you that the Belt and Road Textile Conference 2023 (BRTC 2023), organized by China National Textile and Apparel Council, is scheduled to be held on November 3rd, 2023 in Keqiao, Shaoxing, Zhejiang Province of China. We sincerely invite you and all colleagues in the global textile and garment industry to participate in this event both online and offline.

This year is the 10th anniversary of the Belt and Road Initiative, and the BRTC event also marks its 10th anniversary. Over the past ten years, the China's textile industry has witnessed a deep integration into the global textile industry chain under the guiding framework of the Belt and Road Initiative. As a result, the industry's foreign trade and outbound investment collaborations have yielded fruitful results.

With the theme of "Weaving the Shared New Future" in the textile and garment industry, BRTC 2023 will focus on summarizing the successful experience on international cooperation of the industry during the past ten years and also explore the industry's new growth point from the perspectives of international trade, investment and market.

In order to promote the common prosperity of the global textile industry under the current complicated and changing economic situation, BRTC 2023 will gather global wisdom to continue building a communication platform for mutually beneficial cooperation and win-win development of the global textile industry.

Looking forward to meeting with our global partners in Keqiao this golden autumn.
