

ITMF Annual Conference 2023

Keqiao, China

Free Pick-up & Drop-off

Keqiao District is in Northern Shaoxing City of Zhejiang Province, 106 kilometers west of Ningbo, and 50 kilometers east of Hangzhou, with Shanghai 185 kilometers away to the North.

The People's Government of Shaoxing Municipality, the co-host of ITMF Annual Conference 2023, is offering free pick-up/drop-off service from and to

1. Hangzhou Xiaoshan International Airport to the Wyndham Hotel Keqiao (30 kilometers away from Keqiao District center)
2. Shaoxing North Train Station to the Wyndham Hotel Keqiao (5 kilometers away from Keqiao District's center)
3. Shanghai Pudong International Airport to Wyndham Hotel Keqiao (210 kilometers away from Keqiao District Center).
4. Shanghai Hongqiao International Airport to Wyndham Hotel Keqiao (180 kilometers away from Keqiao District Center).

Hangzhou is the best option. Pudong and Hongqiao is the last option, considering over 3-hour drive from Shanghai to Keqiao.

CNTAC's suggestions:

1. to land in Beijing at the Terminal 3 of the Beijing Capital International Airport first, and then take Air China flight to Hangzhou. There are several Air China flights from Beijing to Hangzhou every day.
2. to land in Hongkong first and then fly to Hangzhou. There are 8 flights from Hongkong to Hangzhou every day.

English-speaking volunteers will meet the delegates at the above mentioned airports/station with a label showing the delegate's name and ITMF Keqiao. The respective transport by car is complimentary.

For the drop-off (return way) the volunteers will bring you again from the Wyndham Hotel to the respective airport/station.

After sending the registration form to ITMF you will receive a confirmation letter which includes the link to this service.
