Fibres & Applications Committee

Presentations - Seminar on “Functional Textiles”

- **Function Fibres – Correlations between Material, Structures and Production Processes**
  Dr. Gunnar Seide
  Institute for Textile Engineering of the RWTH Aachen University, Germany

- **Functionalization by Finishing and Coating of Technical Textiles**
  Mr. Thomas Wiederer
  Brückner Textile Technologies, Leonberg, Germany

- **Sympatex – Membrane and Laminate Solutions for Functional Fabrics and Technical Applications**
  Mr. Stefan Brandt, Dr. Martin Mayershofer
  Sympatex Technologies, Unterföhring, Germany

- **Applications of Functional Textiles for Mobility, Buildings, Health and Energy**
  Prof. Dr. Thomas Gries
  Institute for Textile Engineering of the RWTH Aachen University, Germany
